You are invited to participate in a survey on national and community affairs conducted by YouGov PollingPoint in conjunction with 46 of the nation's leading universities and research institutes.

The goal of this survey is to obtain opinions on current events. You will be asked a number of questions on current events. Your participation is voluntary. You are free not to answer any question or to withdraw from the study at any time. This poll should take approximately 15-20 minutes to complete.

A report of the results of this study will be provided to you upon request. In order to analyze responses to our questionnaire, your answers will be recorded. ****No identifying information about you will be made public and any views you express will be kept completely confidential. ****

Findings from this study will be reported in scholarly journals, at academic seminars, and at research association meetings. The data will be stored at a secured location and retained indefinitely. A benefit from participating in this study is that it may increase awareness of current events.

Should you have questions regarding the research project, please contact Kelly Connor at 1.866.749.8100.
